Experience

Software Engineer — Full Stack

Dec 2022 – Apr 2026

Cobay Technology Pvt Ltd

Coimbatore

- Built a multi-channel Order Management System (OMS) integrating Shopify, WooCommerce, and custom storefronts into a centralized dashboard.
- Developed real-time analytics dashboards and inventory systems using Vue.js, React.js, Node.js, and MongoDB.
- Implemented Role-Based Access Control (RBAC) systems for warehouse, admin, and operational teams.
- Integrated payment gateways, CRM systems, and shipping APIs using scalable backend services.
- Worked on Shopify development for 10+ D2C brands across fashion, FMCG, lifestyle, and home décor industries.
- Optimized Shopify stores to achieve Lighthouse performance scores above 90 using performance optimization techniques.
- Mentored junior developers and improved reusable frontend architecture standards.

Projects

Multi-Channel OMS | *Vue.js, React.js, Node.js, MongoDB*

Live

- Built centralized OMS platform combining Shopify, WooCommerce, and custom platform order streams.
- Developed analytics modules for fulfillment tracking and operational reporting.
- Implemented RBAC systems and scalable API workflows.

Shopify D2C Brand Stores | *Shopify, Liquid, JavaScript, SEO*

Portfolio

- Developed Shopify storefronts and custom Liquid themes for multiple D2C brands.
- Built reusable sections and optimized mobile-first storefront experiences.
- Achieved Lighthouse scores above 90 through optimization techniques.

Founder Dashboard | *React.js, Node.js, MongoDB*

Live

- Built full-stack dashboard application for founders to track operational metrics.
- Developed frontend interfaces and backend APIs using React.js and Node.js.

Portfolio & Business Websites | *HTML5, CSS3, JavaScript, WordPress*

- Developed websites for brands including Tenanchoice, Lehanza, and Moon Chocolates.
- Implemented SEO-focused structures achieving Page 1 keyword rankings.

Education

Bachelor of Science in Information Technology

2019 – 2022

Sri Jayendra Saraswathi Maha Vidyalyaya College

Coimbatore

Certifications

- Full Stack Web Development (React) — Nschool Academy
- Search Engine Optimization (SEO) — Coursera
